ALUMINIUM COMPOSITE PANEL / MANUFACTURED BY FAIRVIEW

## PENRITH MAZDA DEALERSHIP

PROJECT: PENRITH MAZDA  
LOCATION: PENRITH, NSW  
ARCHITECT: FIGGIS & JEFFERSON  
BUILDER: WISHTON PTY LTD  
PRODUCT: VITRABOND

Our Vitrabond cladding panels were chosen by Figgis Jefferson for the upgrade of the Penrith Mazda showroom in the heart of Sydney's metropolitan area. As with our other car dealership projects, Vitrabond, was the chosen product for the upgrade due to its performance qualities as well as ability to be matched to any corporate colour.

Our CID team worked closely with the architect to ensure a satisfactory design outcome that was aligned with Mazda's brand guidelines.

*Vitrabond ensures a consistent corporate identity for Mazda on the upgraded Penrith showroom*
