NON-COMBUSTIBLE CASSETTE CLADDING / MANUFACTURED BY FAIRVIEW

NERO APARTMENTS

PROJECT: NERO APARTMENTS
LOCATION: NEWSTEAD, QLD
ARCHITECT: ELLIVO ARCHITECTS
BUILDER: PANETTIERE CONSTRUCTIONS
PRODUCT: VITRADUAL 850M²
COLOUR: LIGHT GOLD METALLIC VD4155

Nero Apartments is the first project to feature Fairview's new solid aluminium façade product, Vitradual. Designed by Ellivo Architects, the apartments offer Hotel-style luxury right in the heart of dynamic, exciting, Newstead. The design also aesthetically compliments Newstead's rich history with the integration of stylish industrial references through the use of mixed materials.

Developed in consultation with industry experts, Vitradual was chosen for the development as it fully met the requirements of the developer and builder in relation to the cladding component of the project.

The first project to feature Vitradual, Fairview's unique, solid aluminium, non-combustible cassette cladding system
