CORSO NORTH LAKES

PROJECT: CORSO NORTH LAKES
LOCATION: NORTH LAKES, QLD
ARCHITECT: PDT ARCHITECTS
BUILDER: BROAD CONSTRUCTIONS
COLOUR: N251 ANTHRACIT
PRODUCT: EQUITONE

Corso North Lakes is Moreton Bay Regional Council's state-of-the-art facility designed by PDT Architects and showcasing a modern library and community centre, three levels of commercial office space and undercover car parking. The development provides residents with a regional destination to socialise, study, learn and relax.

The building has been designed with striking architectural features that include a large glass entryway to the new library, modern structures, innovative design and energy efficient elements. It also includes Equitone Fibre Cement cladding panels supplied by Fairview that enables the achievement of flawless and intricate details within the exterior design of the building.

Corso North Lakes is one of Australia's first Five Star Green Star rated public buildings
